

ARE YOU WORRIED ABOUT RETIREMENT?

Are you close to Retirement?

We all plan to have a good retirement, but over 56% percent of us have no idea how much we'll need to retire*. And Social Security only covers 37% of retirement income for people over 65*. For some, this may be their largest source of income.

Will Social Security be enough to get you through retirement?

The answer can be as simple as sitting down with me to help figure out how much you need—in addition to Social Security or a pension—to have a good retirement. You can count on me to help you set a reachable retirement goal, make your money work harder and be smart about the risks in your life. I'll help you determine the life and annuity solutions.

A good retirement starts with a good plan

Let's get together to start a plan tailored around your needs. A good plan, and a good retirement, no fees and someone you know. Our Personal Financial Representative has received many achievements award during his 30 years of experience. Call me and let's start the conversation.
